

# Technical conditions

## General conditions

They race according to the rules of athletics and this provision. The entire oval at the stadium has eight tracks. All competitors can start in any number of disciplines. In the 4x60m relay, the common categories U13, U12 and U11 start. In the 4x300m relay mix will start U15 and U14 years, always two girls and two boys. Team leaders will submit the Forms Relay Formation on the race day at 10:00 am at the Race Office. All contestants must arrive at the stadium already dressed in sportswear, because the stadium has a limited number of changing rooms. The organizer is not responsible for loss of sportswear or any items left alone. Each sportsclub is responsible for the health of their competitors.

## Final

to 60m, 100m H. and 150m to the finals A and B, the first eight racers take the lead time from the heats. At 300m, 600m, 800m and 1,500m, the finals are run directly and the order is determined according to the times achieved in the individual runs. In technical disciplines that have a listed qualification, the competitors have three attempts and the first eight best competitors, according to their performance, will advance to the final, where they have all the 6bits. In the final technical disciplines of the ball and the javelin (except high jump) all competitors have three attempts and the first eight will advance to the finals, where they have 3 more attempts. In the cricket ball, the competitors have all three games in a row, in the finals there are some attempts.
